OFFICE MEMORANDUM

Subject: Designation of Aizawl South Treasury as Centralized Cyber Treasury for SNA-SPARSH Payments- reg

It has been observed that the Public Financial Management System (PFMS) currently accepts only five payment files per day for a single State Linked Scheme (SLS) under SNA-SPARSH. Any additional files generated on the same day are being rejected by the system, resulting in delays in payment processing.

In view of the above, it has been considered necessary to consolidate payment files pertaining to the same SLS from all Treasury Offices. Accordingly, Aizawl South Treasury shall function as the centralized Cyber Treasury for this purpose and shall process SNA-SPARSH payments irrespective of the Treasury Office in which the bills have been passed.

These changes may be incorporated in IFMIS as required. The existing procedures for reconciliation, compilation and payment settlements at Treasury Offices shall remain unchanged. This arrangement shall apply **only** to SNA-SPARSH payments.
