OFFICE MEMORANDUM

Subject: Introduction of new Financial Digital Systems in Mizoram– reg.

Attention may be drawn to the Ministry of Finance letter No. F. No. 44(1)/PF-S/2026-27 (CAPEX), dated 27.03.2026, regarding the guidelines for SASCI 2026–27.

2. The Government of Mizoram has introduced the following digital systems to enhance efficiency, transparency and accountability in financial management:

- **Mizoram Integrated Works Accounts System (MIWAS):** Streamlines works accounts management across six departments—PWD, PHE, P&E, I&WRD, EFCC and LR&S&WC—and integrates with IFMIS for payments. Accordingly, the physical cheque system for works payments in the State stands discontinued. *Detailed instructions will be issued shortly.*
- **e-Sanction Module:** Facilitates online processing and forwarding of expenditure sanction proposals from Drawing and Disbursing Officers (DDOs) and Heads of Departments to the Administrative Department and Finance Department, with checks on delegated sanctioning powers under the applicable Delegation of Financial Power Rules and other Government rules, as amended from time to time.
- **e-Budget Module:** Enables online preparation and submission of budget proposals and allocations through IFMIS, reducing manual errors and ensuring timely availability of budget data.
- **100% Direct Benefit Transfer (DBT):** Ensures direct transfer of payments under State schemes, including Thlai Thar Leina, Bana Kaih and Power Subsidy, to beneficiaries' bank accounts upon Treasury approval. This supplements the existing DBT arrangements for Centrally Sponsored Schemes (CSS). The Finance Department (FMW) has already issued Notification No. G-25022/33/2026-FMU-FD dated 15.10.2026 in this regard, with the approval of the Hon'ble Chief Minister.

3. Detailed Office Memoranda, Standard Operating Procedures (SOPs) and training schedules will be issued shortly.

Further updates and instructions will be available on <https://finance.mizoram.gov.in/> and user manuals at <https://ifmis.mizoram.gov.in/IFMIS/loginMaster/userManual>
