OFFICE MEMORANDUM

Subject : Utilisation of forward auction features on Government e-Marketplace(GeM) for sale of Immovable properties and disposal of unserviceable assets & Other Items.

All departments under Government of Mizoram is hereby informed to draw attention that Government e-Marketplace(GeM) facilitates online procurement of common use Goods & Services required by various Government entities while enhancing transparency and efficiency. It provides the tools of e-bidding, reverse e-auction, and demand aggregation to facilitate the government users, to achieve the best value for their money. Since the inception of GeM, several buyer organizations have been requesting GeM to facilitate Forward e-auction services on GeM for the disposal of immovable properties and unusable materials available in offices/production units. Consequently, in October, 2021, Forward Auction was launched on the GeM Portal to offer e-auction services to Government entities. Forward Auction is a web-based auction platform that facilitates Central and State Governments/Ministries/Departments, CPSUs & SPSUs to maximize sale value by allowing pan-India bidders to participate online in a very competitive setup. In addition to disposal of immovable properties and unusable goods, forward auction module also facilitates leasing of assets like shops, parking lots, etc. Since both procurement and Forward Auction are conducted on a single platform, the user experience is enhanced.

Hence, all Government departments are informed to utilize the features of Forward Auction on GeM for disposal of immovable properties and unusable goods and to refer cases for exemption to Finance Department(EC) in case of any difficulties.
