**Subject: Introduction of Forward Auction/e-Auction Service on GeM.**

Sir,

I am directed to state that Forward Auction/e-Auction Service is now available on GeM portal. Items such as machines, vehicles, metal & non-metallic scrap, unused spares etc can be disposed off through Forward Auction. The relevant information in this regard is available under the Training Module Add-On GeM website.

Therefore, when your Department has obsolete items to dispose off, and after approval of Finance Department is obtained as usual for disposal of obsolete/unserviceable, the facility of Forward Auction on GeM may be used in order to sell items at the most competitive price.

Yours faithfully,

  
( CHAWNGZIKPUII )

Under Secretary to Govt. of Mizoram
